Who we are!

Founded in 2019, Four Corners Community Services is dedicated to assisting individuals with special needs and impairments.

Our programs promote independence, facilitate connections, and foster new skills development while prioritizing health, safety, and well-being. With expertise in disability, clinical, recreational, and outreach services, our committed team of clinicians and nurses with over 12 years of experience provide empathetic support without discrimination.

We believe in treating everyone, regardless of ethnicity, creed, religion, medical condition, or sexual orientation, with respect, love, and care.

Our Mission

is to offer cutting-edge services that foster community inclusion and independence for people with a variety of disabilities and unique requirements.

Our Vision

is to pave the path towards a more inclusive world, where every individual, with their unique abilities and needs, thrives in their community, empowered to lead lives full of independence and connection.

Disability Services: this empower individuals with disabilities by providing tools for independence, fostering community contribution. Our disability services include the following:

- Day program
- Support Employment
- Community-Base Support
- Respite Retreat

Recreations: these activities allow our clients to unwind, have fun, and express themselves through various forms of art. They can use this to discover potentials and skills that will help them build a career or socialize with others.

This activities includes:

- Expression of Arts
- Music Therapy
- Youth in Motion

Clinical Services: We provide routine clinical care to all our members This includes:

- Occupational Therapy
- Health Maintenance & Coordination Program
- Optometry

Our Reach Out program, led by volunteers, seeks to raise awareness about developmental and intellectual disabilities, combat stigma, and provide aid to global disaster-stricken areas through food and goods drives. Our dedicated team, comprising members, staff, clients, and families, will orchestrate events to support this initiative.

- Grace's Way
- Victoria's Project

The Living Out Loud program: includes activities that promote skills and learning that can help members become more self-sufficient. Because each person is unique and has different needs, potentials, and interests, the Living Out Loud Program is tailored to them. This is done to encourage growth and development at the client's own pace.

Volunteers and career partners: At Four Corners Community Services, we actively contribute to the well-being of our community by engaging in voluntary work. We believe in the transformative power of collective effort and encourage our community members to join us in making a positive impact. Volunteering is a shared commitment to building a stronger, more resilient community. Together, we can create meaningful change and enhance the lives of those around us. Join us in making a difference through voluntary work at Four Corners Community Services!
